

Checklist 1: Video Aims

Project Name: _____ Date: _____

The first thing you must do is figure out the reason you are creating a video.

Too many people create and upload videos to sites like YouTube without first thinking about what they would like to achieve.

Go through this list each time you plan on creating a new video to help you clarify the end result you want from your videos.

		Yes	No
1	Do you know the purpose of your video?	<input type="checkbox"/>	<input type="checkbox"/>
2	Is your video aimed at building your brand awareness?	<input type="checkbox"/>	<input type="checkbox"/>
